ESCAPE

The Azimut 43 Flybridge is designed and furnished to the highest of standards. With outstanding outside spaces, the spacious Flybridge will certainly impress you with the aft-surround seating. This is the perfect spot to spend lazy afternoons in the sun, admiring the stunning view.

At the mid-deck lower, the helm incorporates a luxurious salon; the large windows let a huge amount of natural light into the salon, creating a bright and airy atmosphere which compliments the elegant and contemporary finish, while the galley is fully equipped. At the below decks, one can relax in the comfort of the ensuite master double bedroom or the aft guests' cabin with a second fully equipped bathroom and shower.

What underpins the design of Azimut 43 Flybridge is the philosophy of efficient use of space. She is dedicated to those who know the importance of comfort and love sophisticated aesthetics.
