MAJESTIC

"Majestic", our Aicon 72 Hardtop, is the perfect motor yacht for the lovers of speed and luxury. Well-equipped, beautifully designed and surprisingly stylish, it offers an unparalleled cruising experience, while its slick profile and structure promises that she will take you far in very little time.

Everything about her is an intriguing combination that manages to create a perfect balance; she bears both character and dynamism as well as sportiness and elegance, while the lines between her exterior and interior are in complete harmony. Her large, unbroken side windows and hard top are thoughtfully built, so that you can enjoy her sophisticated living area in the open air. At the same time, her intelligent design maximizes the external spaces and outdoor living, with the wide cockpit as her center point; therefore, when you are on board you get the feeling that there is just you, the wind and your free spirit.

Her wide uninterrupted windows provide the modern, spacious interior with amazing lighting, while the galley is cleverly positioned between the living area and the airy dinette, to ensure your ultimate convenience and comfort.

Amidships you will find the spacious master stateroom cabin, which is equipped with one of the most distinctive Aicon Yachts features: a large, openable porthole that illuminates the interior beautifully. The VIP cabin comes with a double bed, while the two guest cabins are furnished with twin beds. Of course, there is also an extra stateroom for the crew. The yacht is equipped with 4 large flat TV displays, while satellite TV is available everywhere.

The Aicon 72 Hardtop is the ideal yacht for long cruises, as it is designed for optimum safety and comfort, ensuring that cruising will always be gentle no matter how different the sea conditions might be.
