JENNY Z

“Jenny Z”, our Azimut 46 Flybridge, is a wonderful motor yacht created for elegant living. With her agility, her power and her style she effortlessly manages to impress any selective guest who comes aboard.

What makes her so unique is her large, comfortable flybridge; whether you lie down on its spacious sun beds to feel the generous sun or relax on its comfortable seats to enjoy the spectacular view, it will surely become your favorite spot on board.

With a total length of 49 feet and a design layout which is renowned for the comfort it provides, this convivial yacht offers to the guests on board unforgettable moments and ease, not only on the main deck, but also in the salon.

Her salon is designed having your comfort and entertainment in mind; it is ultra-stylish and surrounded by vast amounts of window space and beautiful high-gloss cherry woodwork. Meanwhile, the convenient galley, equipped with a fully stocked bar and kitchen, is set below its level; a typical characteristic of European yachts, in order to be hidden from your view.

The yacht accommodates overnight 4 guests in her two cabins; a master cabin that offers a glorious queen size bed and a guest cabin with a double-bed. All cabins have an en-suite shower for complete privacy.

The Azimut 46 Flybridge is a perfect option for enjoying your holidays close to the sea.
