**"Njoy"**, our Azimut 55 Flybridge, sets the standards for both impeccable elegance and absolute comfort in a high-performance vessel.

Harmoniously combining contemporary design lines with the most highly advanced technological solutions, she is the perfect option for those who are guided by their desire for open spaces and their love for bright sunlight; an oasis of privacy for every guest to move freely in.

One of the largest Flybridges in her class, this exceptional yacht undoubtedly offers incredible open-air relaxation with a large dining area, while sunbeds are also featured at the foredeck. Her entire layout was designed with the concept of intelligent use of space in mind, as she manages to offer exquisite interiors with extreme attention to detail.

Her luxurious open plan salon is spacious and creates a breathtaking full-length view from the cockpit to the inside helm; on the other hand, her large, split level deck salon is also ideal for enjoying relaxing moments while cruising, though at the same time it encourages maximum entertainment.

With a total length of 59 feet, you can assume that her cabins are more than generous: there is one stylish master stateroom with a queen-sized bed, one VIP stateroom with a double bed, one guest stateroom with two single beds, as well as one stateroom for the crew to ensure your absolute privacy.

The Azimut 55 Flybridge combines functionality with elegant, refined aesthetics; she is the perfect option for selective guests, who are looking for a unique experience during their vacations.
