DIAMAND

"**Diamand**", our Colvic 36 SunCruiser, is the ideal motor yacht to enjoy the sea all day long.

A great value for money option, this yacht is available for private rental and provides everything you might need. So if you are looking for a unique fun yachting experience with your group of friends or want to spend some quality time with your family, while enjoying the hidden treasures of Mykonos, this yacht is the perfect choice and, most importantly, available at an affordable price.

She is designed to amaze you with her practicality and comforts; even if you've never experienced a cruise on a private yacht before, from the first minute you get on board you will realize it feels like home. The laid-back sunbeds will surely become your favorite outdoor spot; this is where you will spend the most carefree moments of your vacation, soaking up the bright Greek sun, feeling the refreshing sea breeze.

When it's time for you to relax in the cozy inside areas, a great sound system will be waiting for you, ensuring convenience and entertainment without compromises. If you want to rest in absolute privacy, you can withdraw to the comfortable master stateroom that features a double bed, or the guest stateroom, which can accommodate up to two more persons at respective single beds.

The Colvic 36 SunCruiser is one of the yachts that our guests love to charter.

Charter this yacht and try a little angling for local fish; you will be more than amazed!
